BRIEF ABSTRACT OF LETTER.

Recommends, in accordance with the resolution of the District Board, a grant of Rs 50 per annum ^{from St. Funds} towards the holding of a cattle show at Nanjinged and requests sanction to a similar grant being made from Mysore funds.

NOTES AND ORDERS.

The show was for the first time organised and held at Nanjinged in March 1908. The show was organised with the help of private subscription gentlemen and the money required was raised by subscription.

Serial
No.

Whether the District Board or the Temple authorities at the places where these shows are held, should contribute towards making the shows annual events without leaving the matter entirely to the private gentleman ~~is~~ requires consideration.

It is feared ~~that~~ ^{that} the object of these shows ~~should~~ ^{may} be frustrated if too many are held in one district.

In the Mysore District there are two, one at Chunchin Katta & the other at Hemagin ~~where~~ ^{towards} which the District and Mysore funds pay in equal proportions in accordance with the orders of Government. This year a show was organized at private enterprise at Mudrakadone and it is proposed to make this show also an annual one.

It is not known what income the temple at Nanjund derives from the Jatra.

at both these places seem to be unnecessary - Nanjangud is more centrally situated than Mudakathore and I do not know ^{it} if it does not possess as much convenience ~~as~~ for holding the shew and is not as largely attended at the gate as Mudakathore - It seems sufficient if Govt offer help for a shew at Nanjangud

The President considers the holding of shows at both places necessary on the ground that the cattle brought to the ~~pl~~ 2 centres come from different places.

The Muzrai Branch will have to be consulted about the quota payable from Muzrai Funds, if it is decided to sanction the Board's proposal.

The Dist Board propose that cattle shows be held at Nanjangud and Mudakathore and that a sum of Rs 50 be contributed out of Dist Funds towards the expenses of each of these shows. They at the same time request that an equal amount of Rs 50 be contributed out of Muzrai Funds for the same purpose.

The Dist Board were asked whether it was necessary to hold shows at both these places and they say that it is. After this question is decided, the Muzrai

At places where cattle fairs are held and fees collected, the realizations go to the temples concerned and a moiety of the cost for cattle shows held in connection with the Jathas are being paid by the respective temples. Both at Mudukore and Nanjangud there does not appear to be any fair and no fees realized. If only cattle shows are held in those two places the temples concerned cannot reasonably contribute towards the cost.

From the report of the D. Com. in the linked
file it is plain that fees are levied from shops around
at Kijata at Mundkudra as well as the income
therefrom is credited to the Temple. I do not know
if any fees are being levied on the cattle also. Perhaps
the Acting Manager refers to the latter fees. There can
be no objection to Sanction B. 57 from the Mundkudra
Temple funds.

I do not know what the state of things is as regards Nan-
jangud. It is an unlike Mundkudra, Kherajini
and Chuchakotia which, except at Kijata,
are insignificant or backwash villages. Nanjangud
is always an important place ^{as a municipality}. Though Kijata attracts
a large concourse of people it is not likely that many
temples are there; and I am not sure that the
Temple gets any income from Kijata.

On account of the Kherajini Nanjangud is a place
where it is not possible to limit the expenditure to
the sanctioned limit. But some of income
are the temple fees; it would be better while in-
vestigating if Kijata ^{can} yield ~~off~~ any
income to the Temple. At Kherajini D. Com. shall communicate
further. As regards the Nanjangud Contention
the D. Com. and Periahal & H. Board may be
asked to move the Kherajini D. Com. for the Kherajini
fund. When their correspondence is over be advised.

As regards Mudakthore, does the
Temple get any income from
tax on cattle? If it does not,
I fear no contribution can
be made from temple funds
(which are by no means flourish-
ing) towards the expenses
of the Cattle Show.

The Jatra Collections are a
legitimate source of income
to the temple and can
ill afford to make such a
contribution.

I concur with the Muzra

Temple at Nanjand is

Government

Government were approached last year with a
prayer to make the Show an annual event,
apportioning the cost equally between District
and Imperial Funds. I believe that the proposal
is now before Government for sanction with
the approval and recommendation of the
Mysore District Board. If Case Sanction
is not obtained in time, I might be permitted
to meet the cost of this year's Show out of
the sum of Rs 130-4-10 which remains to
the credit of the Movement in Savings
account no. 372 of my Taluk. I would only
pray that the amount spent might sub-
sequently be refunded as it is intended to
form the deposit into a permanent fund,
with the annual interest of which a
prize will be awarded at every future
Mysore Cattle Show.

I beg to enclose Kanarese and English
notices of the Show for publication in

in the Magistrate, and Revenue and Agricultural
Gazettes. In anticipation of ^{kind} sanction
I have written to the ²³ Amildars of —
neighbouring Taluks requesting their
Cooperation and to the Amildar of
Yedatore to announce the Mudakadu
Show to the Cattle owners and dealers
assembled at Chunchanakatte.

If the ex-officio members of the Project
Committee are kindly indicated by the
Deputy Commissioner, I shall submit the
names of an equal number of non-official
Gentlemen for approval.

I would in conclusion venture to beg
the Deputy Commissioner to enhance the
value of the prizes by giving them away with
his own hands to the winners.
